

Emory Hall

My name is Emory Hall and I want to be your Security Delegate.

Why me:

As a current Security Delegate over the past three years, I worked hard to ensure the security officers' voices are heard at the table. I have also worked to be a good steward of the members' finances and rights at all times.

My experience:

Three years as a Security Delegate
I have participated in three bargaining campaigns
I have 13 years of security
I have 10 years as a steward

My vision:

I have five goals for the next term.
To improve transparency
To better educate the membership.
To increase member participation.
To assist in the development of more union leaders.

Please vote for someone you can trust, EMORY K. HALL.
